Woman's Day 08.03.2025**

Introduction

International woman's day is a global holiday celebrated annually on March 8th to commemorate the cultural, Women. It is also a focal point in the women's right movement.

Women the power to create, nurture and transform the word woma conjures up the image of selfless love, care and affection. At the same time women ignite the spirit of power and hope. Unfortunately, across the world, women had to fight for their independence and protection of right. Since decades, women had struggle and are still fighting to express their right to speech to vote, to equality, to education, to income and most importantly to freedom.

The theme for international Women's Day 2025 is
